Marvellous Japanese Iris

This species of Iris is quite distinct from the German and other kinds of Irises and is the most suitable of the group for rock gardens and borders. There are no more elegant reptile to be found than a king bed or border of Japanese Iris in full bloom. If planted in external ground and established you will find they are a fast living type and excellent for both rock gardens and borders. We have selected this variety for our Pre-Season bulb offers. In order your Pre-Season bulb offers and they will be shipped to you in the Spring of the year. Order your Pre-Season bulb offers and they will be shipped to you in April or May. PRINCES—$2.40 per doz.

FOR PLANTING PEONIES

This is the proper time to make your order for Peonies. We are getting ready for the Peonies and will have a large planting this spring. Look over our list carefully. At our special March sale we will send you 30 for $1.00—$3.15 per 100

COLOSSAL CACTUS DAHLIAS

Who doesn't want a garden full of Cactus Dahlias with their beautiful twisted, incurved and quilled petals and their gorgeous coloring? Our list covers all of the better known varieties and at our special March price you can have all you have room to plant of the best Cactus Dahlias obtainable at the lowest possible prices. The flowers are carried on splendid, long, stiff stems.

30c Each—$1.98 per Doz.
Our February Inventory shows a slight surplus in certain of the better varieties of roses in excess of our requirements for catalogue sales. To dispose of this surplus quickly we make a special 79c price for the month of March only. This is a very unusual price—79c for fine, big, two-year-old, field-grown, monthly roses—at just the right time to plant them late in March. We cannot urge you too strongly to order at once as this price is effective only for this month.
